

# Walk for Women

## INTERNATIONAL WOMEN'S DAY SPONSORED WALK

**14<sup>TH</sup> MARCH 2010**

This year on Sunday March 14<sup>th</sup>, Faiths Act Fellows London are organising a sponsored walk to commemorate International Women's Day and celebrate Mothering Sunday: the **Walk for Women**. The walk is 10 miles from Kew Green to Victoria Embankment Gardens. The end of the walk will take the route of the Mud March which took place on February 7, 1907. It was the first large procession organised by the National Union of Women's Suffrage Societies. 3000 women walked through the streets of London from Hyde Park to Exeter Hall (The Strand).

With the theme of empowered women, we will be raising money for **Project Muso Ladamunen**, the Project for the Empowered Woman ([www.projectmuso.org](http://www.projectmuso.org)). Project Muso partners with mothers in Mali to enable them to free themselves of the poverty-disease trap. Through their **Women's Education Program, Springboard Microfinance Program, and Community-Based Malaria Program**, Malian women are afforded an opportunity to turn their hopes into real possibilities.

We want you come together in solidarity with the empowered women of Mali whilst raising awareness about the important role women play in the world.

Registration is £10. This is to help us cover the costs of the walk and includes a **Walk for Women** T-shirt which you will get on the day. We are suggesting you raise a minimum of £100 sponsorship, however if this is too much then please raise what you can. **Tony Blair will personally be matching everything you raise**: so, if you raise £100 you will have actually raised £200! We are asking people to arrive to register at 11: 30 am to begin the walk at 12: 00 pm. The walk should take approximately 4 hours (depending on how fast you walk!).

To register or if you have any questions email Natasha at: [natasha.steele@faithsactfellows.org](mailto:natasha.steele@faithsactfellows.org) or you can call her on 07895 640 634.

All the best,

Natasha Steele
